## PREFACE TO THE COURSE

The programme aims to facilitate and foster the necessitated change in the existing teaching learning paradigm in order to improve the quality of professional education vis-a-vis the praxis of Outcome Based Education (OBE). The National Board of Accreditation (NBA) was established for periodic evaluation of technical institutions and programmes according to AICTE specified norms and standards. The new process, parameters and criteria for NBA accreditation are inline with the international practices and oriented to assess the outcomes of the programmes. In this sense, this FDP aims to cause much needed improvement in teaching pedagogy so as to enhance the efficiency of course delivery and raise interest and motivation levels of students and to provide broader exposure to the faculty members of various colleges about the importance of OBE and the NBA accreditation process.

## COURSE CONTENTS

- Introduction to OBE
- Teaching Learning Processes
- Different Levels of Learning Outcomes
- Emphasis on CO – PO Mapping
- Assessment & Evaluation of Learning Outcomes

## INTENDED AUDIENCE

This course is intended for faculty members of Engineering & Polytechnic colleges.

## ABOUT THE INSTITUTION

College of Engineering , Perumon was established in the year 2000 under the Co-operative Academy of Professional Education (CAPE), Govt. of Kerala. The college has registered speedy progress since then and it offers five undergraduate programmes (CSE, ECE, EEE, ME and IT) in affiliation with APJ Abdul Kalam Technological University (KTU). An M.Tech programme in Computer and Information Science commenced in the academic year 2011-12. The college has attained recognition of ISO 9001:2015 certification from the Integrated Quality Certification Pvt Ltd. Two UG programmes EEE and ECE got accredited by NBA. The college has a distinctive academic stature in the arena of Engineering institutions in the state.

## ABOUT THE DEPARTMENTS

The Department of Computer Science and Department of Information Technology were established in the year 2000 offering four year B.Tech programme in Computer Science and Engineering and Information Technology. M.Tech programme in Computer and Information Science commenced in the academic year 2011-12. The major strength of the department is highly qualified and experienced faculty with specialization in main areas of Computer Science and Information Technology.
