

After the hype of the intriguing **Advyka '19**, we are gearing up to redefine history. As our exquisite memories survive, we are recreating the same but with an extra spark. To promote creative, innovative and technical skills, College Of Engineering Perumon is thrilled to present **ADVYKA '20"** . The events of **ADVYKA '20** are open to all on **13,14,15 of March 2020**. Our pragmatic approach offers a series of mind boggling competitions, innovative inventions, technical and cultural events that dazzle up your senses and resonates in the minds of those who join us. Unite with us to experience and explore the events of possibilities initiated by brilliant minds wrapped upon with their technical skills. Come-Create-Celebrate with us and you will definitely be evoking the memories for a lifetime!!!
