ABOUT COLLOQUIUM

The objective of colloquium on Recent Advancements in Electrical Engineering is to provide a platform and bring together leading academicians, scientists, researchers and industrialists to share their knowledge and experience. It will give an opportunity to the young researchers to take up effective research in the field of power electronic interfaces to renewable energy systems, motors for electric vehicle applications etc. The program also aims to give trends, exposure and challenges in this area.

PANEL OF EXPERTS

TRACK I

Research Challenges in Non-Conventional Energy Sources

Dr. B G Fernandes
Professor & HoD

Department of Electrical Engineering, IIT Bombay

TRACK II

LVDC for Domestic Applications

Mr. Dhanesh P R

Senior Scientist, CDAC, Trivandrum

TRACK III

Power Electronics Interface for Solar Voltaic Systems

Dr. Kishore Chatterjee

Professor, Department of Electrical Engineering
IIT Bombay

TRACK IV

Motors for Electric Vehicle Applications

Dr. Praveen Kumar

Professor, Department of EEE
IIT Guwahati

ABOUT THE INSTITUTION

College of Engineering Perumon was founded in the year 2000 by the Co-Operative Academy of Professional Education (CAPE), which was established by the Govt. of Kerala. The college offers Five undergraduate programmes (EEE, ECE, CSE, IT and ME) and One Post Graduate Programme (CSE) in affiliation with Dr. A P J Abdul Kalam Technological University and is approved by AICTE. The college has a distinctive academic stature in the arena of Engineering institutions in the state.

The college is located in a vast area on the banks of Ashtamudi Lake at Perumon in Kollam district. The College is about 12km from the KSRTC bus station, Kollam and about 13km from the railway station, Kollam. The nearest airport is Trivandrum international airport, about 78km from the College.

ABOUT EEE DEPARTMENT

The Department of Electrical & Electronics Engineering was established in the year 2000 offering four year B-Tech programme in Electrical & Electronics Engineering. It is provided with good infrastructural facilities like well-equipped laboratories, library, well qualified and experienced faculty and technically sound supporting staff. It is continuously striving to impart quality education and competitive spirit among students for academic excellence.

ELIGIBILITY

The programme is intended for Faculty Members, Research scholars & PG students in Electrical Engineering and allied disciplines.

REGISTRATION FEE

PG Students/ Research Scholars : Nil
Faculty Members/Industrialist: Rs.500/-
(Non- TEQIP Institution)
Faculty Members: Rs.5000/-
(TEQIP sponsored Institution)

MODE OF PAYMENT

To be paid in the form of DD in favour of "Principal, College of Engineering Perumon", payable at Kollam.

Or

Registration fee will be collected at the venue of Colloquium.

IMPORTANT DATES

Last Date for registration: 9th March 2017.

Intimation of selection: 10th March 2017

Participants can reserve their seats by sending an email along with scanned copy / image of certified Registration form as attachment to the email id: vijichandran@gmail.com, jasnabasheer@gmail.com.
No TA/DA will be paid.
